CHOICE BASED CREDIT SYSTEM(CBCS) IN NAAC BY DR. SUSHMA BOMMANVAR

TIME: 11:00pm to 1:00pm

SUMMARY

The event was conducted for all the staff members and HODs of all the department. There were preliminary events like lightening of the lamp by Dr. Nilima Rajhans (dean , YCDC). Dr.Supriya Vyavhare gave introductory speech for Dr. Sushma and felicitated her. Dr. Sushma delivered lecture on CHOICE BASED CREDIT SYSTEM. She highlighted the importance of CBCS in the Process of Learning. How it enables a learner to pursue any area of knowledge domain depending upon his / her interest and also widens the horizon of learner's intellectual insight. Provision of choice is an essential condition for broad-based learner's profile across areas of knowledge.

This lecture was designed in such a way that she covered all the advantages and disadvantages of this system as well as its application for dental students.
